[VISION](#) [8]

The vision: To become a model teaching farm

[MISSION](#) [9]

To become a self sustaining and profitable teaching farm and to act as a model for demonstration of good farming practices to the general public.

Objectives

- To increase milk and egg production and the overall quality of livestock.
- To provide best practices in the farm in order to maximize productivity
- Enhance income generation for the university through the sale of good quality products
- Improve linkages with other farms through participation in agricultural shows and exhibitions.

Activities

1. teaching
2. research
3. income generation and
4. environmental conservation
