Sheep Unit

The sheep unit is part of the teaching facilities at the Vet. Farm and is also an I.G.U. It provides teaching and research facilities for undergraduate and post graduate students as well as staff who conduct research in the Faculty of Veterinary medicine. It is served by a team of highly experienced workers including veterinary surgeons, technologists and support staff. The main products from this unit are lambs, sheep for mutton and manure. This unit also participates actively in shows and trade fairs as well as providing training/extension facilities for farmers and visiting students.
